

FOR IMMEDIATE RELEASE

Emerging author, Najee Brooks published a collection of dramatic horror stories titled, *Tales of Men* at Smashwords.com.

Now Available for Review

Jacksonville, FL, May 18, 2017 – Najee Brooks announces the release of *Tales of Men* now free to download on the Smashwords website. *The Tales of Men* is a collection of three short stories horror fantasy and will be published May of 2017 for young adults.

In the first story, “A Heist: Rembrandts and Atonements” a security guard of an art museum teams up with two ex-convict to organize a heist against the very museum where he works. The artwork is worth a huge amount of money and if the three of them can pull off the tricky job, they’ll be millionaires.

In the second story, “He Who Sought Death,” Oliver Swift holds a bank hostage. While he commits the crime, he mocks humans for how they live. The wars and plagues we face has driven, Oliver to seek an escape. He calls escape transcendence

The last story, “Of Sin and Memories,” Derrick comes face-to-face with a mysterious being, Zwielicht, who has been stalking him. Derrick has lost everyone close to him and has since sunken into deep depression. One night, he invites a lady to his home but can’t focus on her though, since a deathly figure lurks just outside his home.

Najee Brooks is a film writer and author with the *Tales of Men* collection being his debut publication. He currently attends Full Sail University where he is earning his Bachelor of Fine Arts in Creative Writing.

Smashwords.com is one of the largest distributors of eBooks for independent writers and publishers alike.
